Play VIC Week August 5th -11th 2013

Play VIC Week is a state-wide event on Victorian community radio from August 5th-11th 2013. Organised by the [Community Broadcasting Association Victoria](#), community radio stations across the state are encouraged to feature Victorian singers, songwriters, bands and orchestras in their programs. If you're a Victorian singer, songwriter, musician or performer, get in touch with the CBAV via cbavinc@yahoo.com.au for your chance to get heard. For more information, visit the [CBAV website](#) or the [Play VIC Week Facebook page](#).

**From Music Victoria's
July Newsletter**

"Our friends at CBAV are partnering with Music Victoria for Play VIC Week from 5-11 August, promoting Victorian composers, musicians, singers, songwriters and bands. For our members in Victoria, we encourage you to get involved with this great initiative and for everyone else, show your support via the Play VIC Week Facebook page at facebook.com/playvicweek"
